WELCOME BACK!

Welcome to the 2020-21 school year Middleton HOSA! Although things are very different this year, we still want your HOSA experience to be as enjoyable as possible. This month's edition has a timeline of important dates at the end, so make sure you check it out!

GENERAL MEETINGS

We will continue having our General Meetings on Wednesdays from 6-7 PM via Zoom. If you know anyone who is interested in joining HOSA, let them know about these meetings and tell them to join our Telegram channel!

This year, we will be monitoring attendance more closely. You will enter your attendance into a Google Form, which will only be open for a certain amount of time and have a specific question that you can only answer if you attend the meeting. Make sure you come to meetings because attending meetings gives you points, while missing meetings unexcused takes away points. You can also ask questions and get them answered immediately.

CONTACT INFORMATION

Our main source of communication is **Telegram**. We post frequent updates, meeting reminders, and due dates on our announcements channel. If you have any specific questions, you may Telegram message any of the officers or advisers (usernames can be found on the first page of this newsletter). Use this link to join the channel:
